

## AMENDMENTS TO THE SPECIFICATION

Please amend the specification as follows:

Page 22, please delete TABLE 1 and replace it with the following:

TABLE 1

| Results of Soil Testing with Organic Biocides |   |
|---|---|
| <u>Fungicide</u>                              | <u>Toxic Limit Value (kgm<sup>-3</sup>)</u> |
| Tebuconazole                                  | > 7.0                                       |
| Propiconazole                                 | >7.0  |
| Bethoxazin                                    | >0.77                                       |
| Bethoxazin/Propiconazole (1:1)                | 0.65 - 0.74                                 |
| Bethoxazin/Propiconazole/Tebuconazole (2:1:1) | 0.15-0.32                                   |
| Bethoxazine/Bardap 26 (1:5)                   | 0.54-1.11                                   |
| Bardap 26                                     | > 6.2                                       |
| Bardap 26/Bethoxazin/Cyproconazole (10:2:1)   | 0.58-1.18                                   |
